## Dog Days of Summer

August is bound to be our biggest month of the year so far. We have so much to celebrate. The first week alone we will be celebrating four different national "days" with sweet treat socials.

We will acknowledge the anniversary of Woodstock with some tie dying fun, have our own "State Fair", complete with a balloon artist, and have an end of the month bash to celebrate National Beach Day. We will also honor Elvis with a special gospel social. Residents will have the chance to get creative in the kitchen again this month, making treats of their own. We will also be making blankets to give to dogs in local shelters. New this month is Meditative Moments: Music and Essential oils where we will listen to some calming music and relax our minds and bodies. We will also hear some piano music by Schu. We will complete a couple beach themed crafts and play some new games, including a NEW kind of BINGO. We will stay busy and have a blast saying goodbye to summer.

### National French Fry Day

Thank you to the McDonald's on Hubbards Lane for helping us celebrate National French Fry Day on July 13<sup>th</sup> by donating French fries for our residents to enjoy! They loved their salty treats.

Stakeholders enjoyed a cold treat on a hot day from Tikiz Shaved Ice and Ice Cream

### A Letter from the Administrator

I am thrilled to announce that Erin Cormney has joined Jefferson Place as the Director of Nursing. Erin was my partner at Jefferson Manor, and she did amazing things at Jefferson Manor and I know she will continue to do great things here. Erin's clinical background has always been in Long Term/Skilled care. She is a very hands-on Director of Nursing and she will be a wonderful asset to Jefferson Place. Please stop by and say hello to her.
