## Hello Summer

Another cold and dreary winter is behind us. We have earned the sunshine this year. We have already been enjoying the warm weather and sunshine by working in our garden. While our flowers are not in bloom yet, our vegetables are coming right along. We will have a chance each week to work on watering, weeding, and pruning our garden with the hopes of enjoying the fruits of our labor later this summer. Thirsty Thursday socials are back this month! Enjoy a cold glass of lemonade while socializing with other residents. We have also added RESTORE Skills to calendar. It's all about playing a game while working on strength and mobility in your upper body.

This summer's special Signature engagement project, the Time Warp, is sure to excite everyone! Each week we will be exploring a different decade with lots of fun activities to go along with that. Also beginning this month, we will have a special Bible Study presented by the Derby City chaplain, Aaron Robb. On June 15, we will have Norton Healthcare interns volunteering for the afternoon as we get warmed up for the Signature Olympics. You also won't want to miss Frozen Treat Fridays where we will enjoy the sweetest part of summer. Don't forget to save your money for the General Store. It will now be open on Tuesdays and Fridays at 11 a.m. Items are also available to be purchased from the Quality of Life department when staff is available.

## Clay Sculpting with Beverly

Join us on **Wednesday, June 22<sup>nd</sup> at 2 p.m.** for a clay sculpting demonstration and lesson. Beverly will lead everyone in making their own individual designs. The clay sculptures will be fired and ready for you to take back to your room that day. Space is limited so please let the Quality of Life team know if you are interested in attending.

## Happy Birthday

Sending birthday wishes to everyone who celebrates in June!

## Celebrating June

*June 21*

**National Sunglasses Day**

*June 27*

**Gone Fishing Day**

*June 30*

### Derby Fashions

### A Letter from the Administrator

Unfortunately, COVID has not left us. Jefferson County and the remaining counties in Kentucky are seeing the positivity and transmission rates continue to grow. Although COVID doesn't appear to ever be going away, the guidelines around COVID have changed by the CDC. If a resident becomes COVID positive, they will be placed in isolation and although we don't encourage it, you are still free to visit. If you choose to visit, we highly encourage you to be in full PPE, i.e. mask, gloves and gown. If you visit someone with COVID, we ask that you go straight to the room and when ready to leave, go straight to the front door. All visitors should be wearing their mask at all times when in the hallways. Also, everyone must continue to screen in at your arrival in order to visit anyone. As always, please feel free to call myself or Erin Cormney, Director of Nursing, with any questions.

Amy Brown  
Administrator/CEO

### Welcome to Jefferson Place!

We are excited to have new stakeholders at Jefferson Place this month!

- Erin B.- PCA
- Hannah K.- CNA
- Tierra T.- PCA
- Cleola F.- CNA
- Rita C.- LPN (rehire)
- Brittany K.- LPN
- Angelica M.- CNA

Welcome to the team!

### Tie Dye Fun
